

CONSERVING CANVAS

Skokloster Summer Institute

June 3 – June 15, 2019

Beneath the Surface - Understanding, Mechanisms, Deterioration and Conservation Practices in a Historic House

Application

Please fill the application form below and e-mail the completed form to the contact address below.

Please note – Candidates must provide an 800 -word statement describing the relevance of the course to their own working reality. The applicants are asked to make a short presentation of their experiences and issues of paintings on canvas of relevance to the course. These presentations will be facilitated by offering each participant the opportunity to upload a poster to the organizers which will be accessible during the course. To facilitate the networking and discussions Participants' forum and poster sessions will be disseminated during the workshop, where each participant is asked to make a brief presentation of her or his own experiences or issues of relevance to the course. Poster instructions will be sent to the invited participants.

Applicants should submit the application form together with:

- a detailed Curriculum Vitae,
- a letter of recommendation,
- applicants must show support of their home institution

All application materials should be sent by email to ccanvas.sko@shm.se

Deadline for applications January 15, 2019 with notifications expected no later than mid to end of February 2019. Title the e-mail with 'SSI', your last name and country.

Applications are to be reviewed by a commission consisting of the organizers together with a group of external consultants. A short list of trainees will be approved by The Getty Foundation. Selected trainees will receive funding for travel and accommodation.
